To, For, by, & With Young People  
"Comprehensive Ministry"  
It takes a Whole Church  
Components of a Comprehensive Ministry

### Ministry of Advocacy

Engages the Church to examine its priorities and practices to determine how well young people are integrated into the life, mission, and work of the Catholic community. It places adolescents and families first by analyzing every policy and program-domestic, parish based, diocesan and international-for its impact on adolescents and families.

### Ministry of Catechesis

Helps adolescents develop a deeper relationship with Jesus Christ and the Christian community, and increase their knowledge of the core content of the Catholic faith. The ministry also helps young people enrich and expand their understanding of the Scriptures and the sacred tradition and their application to life today and live more faithfully as disciples of Jesus Christ in their daily lives, especially through a life of prayer, justice and loving service.

### Ministry of Community Life

Builds an environment of love, support, appreciation of diversity, and judicious acceptance that models Catholic principles; develops meaningful relationships; and nurtures Catholic faith.

### Ministry of Leadership Development

Calls forth, affirms, and empowers the diverse gifts, talents, and abilities of adults and young people in our faith communities for comprehensive ministry with adolescents. Leadership roles in adolescent ministry are key. Leaders must be trained and encouraged.

### Ministry of Evangelization

Shares the good news of the reign of God and invites young people to hear about the word Made Flesh. Evangelization involves the community's pronouncement and living witness that the reign of God has become realized in and through Jesus. Evangelization is the energizing core of all ministry with adolescents. All of the relationships, ministry components, and programs of comprehensive ministry with adolescents must proclaim the Good News. They must invite young people into a deeper relationship with the Lord Jesus and empower them to live as his Disciples.

### Ministry of Justice and Service

Nurtures in young people social consciousness and a commitment to a life of justice and service rooted in their faith in Jesus Christ, in the Scriptures, and in Catholic social teaching; empowers young people to work for justice by concrete efforts to address the causes of human sufferings; and integrates the concepts of justice, peace, and human dignity into all ministry efforts.

### Ministry of Pastoral Care

The ministry of pastoral care is a compassionate presence in imitation of Jesus' care of people, especially those who are hurting and in need. The ministry involves promoting positive adolescent and family development through a variety of positive (preventive) strategies; caring for adolescents and families in crisis through support, counseling, and referral to appropriate community agencies.

### Ministry of Prayer and Worship

The ministry of prayer and worship celebrates and deepens young people's relationship with Jesus Christ through the bestowal of grace, communal prayer and liturgical experiences; it awakens their awareness of the spirit at work in their lives; it incorporates young people more fully into the sacramental life of the Church, especially Eucharist; it nurtures the personal prayer life of young people; and it fosters family rituals and prayer.
