

Mission Statement

We, the Search for Christian Maturity are faithful servants of Christ and are dedicated to serving the young disciples of God. We openly share our experiences and offer our friendship by examples of love, honesty, and humility. We are sensitive to their feelings and guide them to the healing love of Christ. We provide an opportunity for the nurturing of spiritual growth and we help to bring an understanding of Christ's sacraments. We encourage social growth through community prayer, music, games, and discussions. We do this in a welcoming and safe environment. This is our Mission and with God's grace, we shall succeed.
