OFFICE OF THE ARCHBISHOP

September 19, 2015
Year for Consecrated Life

Dear Pastors and Parish Life Coordinators,

"The most effective catechetical programs for adolescents are integrated into a comprehensive program of pastoral ministry for youth that includes catechesis, community life, evangelization, justice and service, leadership development, pastoral care and prayer and worship." (*National Directory for Catechesis* 48.4.D.)

It is with this understanding of catechesis for adolescents that the *Pastoral Plan* for the Archdiocese called forth parishes to "have an on-going, age-appropriate, comprehensive youth ministry program" that incorporates the elements noted above. This model embraces and invites the youth to become disciples in Christ and to become part of an active Catholic community.

The Archdiocese of Santa Fe has a Comprehensive Model for Youth Ministry which journeys with our young people through High School and their preparation for Confirmation. The model was developed by a collaborative team and follows the documents, policies & guidelines articulated by the U.S. Conference of Catholic Bishops. The purpose of the model was to ensure that young people were not only receiving the Sacrament of Confirmation but also continuing their faith formation and staying active in the Catholic faith.

The required doctrinal content of any youth program is noted in the Archdiocesan *Sacramental Policies* section 12.4. This is taken directly from the document by the U.S. Conference of Catholic Bishops, *Adaptation of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age for Use in Parish and Youth Ministry Programs*.

To ensure conformity with the *Catechism of the Catholic Church*, the U.S. Conference of Catholic Bishops Subcommittee on the Catechism has developed a Conformity Review Process to ensure the doctrinal content is correct and accurate. A list of approved texts for confirmation and youth programs can be found on the USCCB website. Please refer to the Conformity List for the approved materials that are to be used for your confirmation preparation.

Archdiocesan staff can update you on our Confirmation and Youth Ministry materials, resources and training on Confirmation and Model of Youth Ministry. Please call the Office of Religious Education at (505) 831-8127 and Youth & Young Adult Ministry (505) 831-8145 for training, support and more information.

ASF Pastoral Plan 2006

Parishes:

1. Parishes will have on-going, age-appropriate, comprehensive youth ministry programs that include youth leadership development, evangelization, catechesis, justice and service, advocacy, prayer and worship, pastoral care and community building by fall 2008.

ASF Sacramental Policies

12.2 A final period of four to six months of confirmation preparation is held at the local parish for all candidates, including those attending Catholic high schools. This period of preparation is required and is to include orientation, catechesis on the sacrament of confirmation, spiritual and community outreach activities, retreats, and the practical and liturgical arrangements for the celebration.

12.4 Catechesis for Catholic youth across the four years of high school before and after confirmation is to be based on the doctrinal content described in the 2008 USCCB curriculum framework. Parish Response Explanation

Based on recent research on the faith of young people, The National Initiative on Adolescent Catechesis (“NIAC”) found that the efforts of an effective parish are most instrumental in helping young people become disciples of Jesus and demonstrate their love for God and their Catholic faith. This research supports the recommendations of the USSCB document *Renewing the Vision: A Framework for Catholic Youth Ministry* (“RTV”) (1997), which the Office of Youth and Young Adult Ministry have been working to implement in the Archdiocese of Santa Fe.

A diocesan committee of professionals who minister to young people has developed a planning guide, *Helping Young People Become Disciples of Jesus: The Parish Response*, to help parishes and schools implement a ***Comprehensive Model of Youth Ministry*** that adheres to the vision of adolescent catechesis shared by both the NIAC and RTV.

Vision, Mission, Goals, Objectives and Strategies

Before you begin the Comprehensive Model of Youth Ministry it is important to identify everyone who will be part of the team that will be guiding the youth through this journey. This may include the Pastor, Parish Catechetical Leader, Youth Minister(s), Catechists, heads of various ministries, etc.

Once you have this group established you can create your vision, mission, goals, objectives and strategies for your model. It is important to go back to these planning elements every year to assess how your model has progressed and where you still need to grow.

Vision

A vision statement should reflect what the parish team wants for their youth while they travel the journey of the *Comprehensive Model of Youth Ministry*. The vision statement should be a formal statement that expresses the aspiration and goals of the organization.

Sample Vision Statement

The parish vision for Youth Ministry is to provide a place of opportunities where young people can become strong faith filled Catholics and active ministers as they serve the people of God.

Mission Statement

A mission statement reflects your vision statement. The mission statement is a statement for the purpose of your *Comprehensive Model of Youth Ministry*. It should guide the actions of the model, spell out its overall goal, provide a path, and guide decision-making. It provides a framework or context within the strategies formulated. This includes the work of the *Comprehensive Model of Youth Ministry* i.e. assignment, job, undertaking, task, etc.

Goals

Your goals should reflect what it is you want to achieve. Goals should develop and strengthen the youth in their faith and help them to stay actively involved in their Catholic community. Here are questions to consider when coming up with your goals:

- What is the aim of your ministry to youth?
- What do you want to accomplish?

Sample Goals

Goal 1. Develop a Comprehensive Model of Youth Ministry for youth & youth minister(s) in our parish. (Renewing the Vision-a Framework for Catholic Youth Ministry- USCCB)

Goal 2. Promote youth ministry that invites young people to participate in the life of the parish community. (Renewing the Vision-a Framework for Catholic Youth Ministry-USCCB)

Objectives

Objectives should support the goals in order for them to be accomplished. They should be relevant to the people responsible for achieving them. Keep in mind your objectives should be specific, measurable, achievable, relevant and have a realistic time-frame.

Sample Objective

The Parishes will have on-going, age-appropriate, Comprehensive Model of Youth Ministry that include youth leadership development, evangelization, catechesis, justice and service, advocacy, prayer and worship, pastoral care and community building by (date).

Strategies

Strategies should be the pathway to accomplish the objectives in order to achieve the goals. They should be a carefully devised plan of action to achieve your goals.

Overview

What is the Comprehensive Model of Youth Ministry?

The *Comprehensive Model of Youth Ministry* is a stepping stone in the faith journey of a young person. During this journey they will grow spiritually, emotionally, and educationally all while strengthening their relationship with Jesus Christ and making a lifelong commitment to their Catholic Community. Following the United States Conference of Catholic Bishops Document *Renewing the Vision A Framework for Catholic Youth Ministry*, the Goals of the *Comprehensive Model of Youth Ministry* are:

Goal One: To empower young people to live as disciples of Jesus Christ in our world today.

Goal Two: To draw young people to responsible participation in the life, mission, and work of the Catholic faith community.

Goal Three: To foster the total personal and spiritual growth of each young person.

It is important to understand the *Comprehensive Model of Youth Ministry* is just that, a model, not a “program”. Therefore, parishes will move away from a “school calendar” (September-May), and instead, sessions for youth will be held year round.

Each youth ministry model will look differently from parish to parish to meet the unique needs of the community.

Three Phases

The Comprehensive Model of Youth Ministry will journey the young person through three phases.

Phase One: *Learner*

Phase Two: *Disciple in Training*

Phase Three: *Disciple in Ministry*

These phases have no time limit; rather, a young person will move through these phases as they feel ready to make the commitment to their Catholic faith and Community.

Transition from one phase to the next will be determined with a parent, young person, and Catechist/ Youth Minister interview and celebrated at Mass.

Phase One: *Learner*

A young person will enter the *Learner* phase when they are of high school age. This phase will cover:

- Basic Catholic Teaching
- Sacraments
- Who is Jesus
- Scripture (Tradition and Catholic Identity)
- Building Healthy Relationships (Catholic Morality)
- The Importance of Serving
- Spiritual and Community Outreach Activities

The *Learner* phase is the foundational beginning of the young person's faith journey within the *Comprehensive Model of Youth Ministry*. Catechesis throughout the *Comprehensive Model of Youth Ministry* is to be based on the doctrinal content described in the 2008 USCCB curriculum framework. For a complete outline of the content see *Adaptation of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age for Use in Parish and Youth Ministry Programs*. This can be found at www.USCCB.org.

During the *Learner* phase, youth are invited and encouraged to participate in parish and archdiocesan activities, events, spiritual opportunities, etc.

Phase Two: *Disciple in Training*

A young person will enter the *Disciple in Training* phase when they have successfully completed the *Learner* phase and they feel prepared spiritually, emotionally, and educationally to make a commitment to their Catholic Faith and Community. This phase will cover:

- Catechesis on the Sacrament of Confirmation
- Catholic Teachings
- Ministry Internship
- The Importance of Serving
- Spiritual and Community Outreach Activities

In the *Disciple in Training* phase the young person will eventually receive the Sacrament of Confirmation and begin the discernment of where they feel Jesus has called them to serve and where their unique gifts can

best utilize their community. They are invited and encouraged to participate in parish and diocesan activities, events, spiritual opportunities, etc.

Phase Three: *Disciple in Ministry*

A young person enters the *Disciple in Ministry* phase when he/she has successfully completed the *Disciple in Training* phase and have received the Sacrament of Confirmation. This phase will cover:

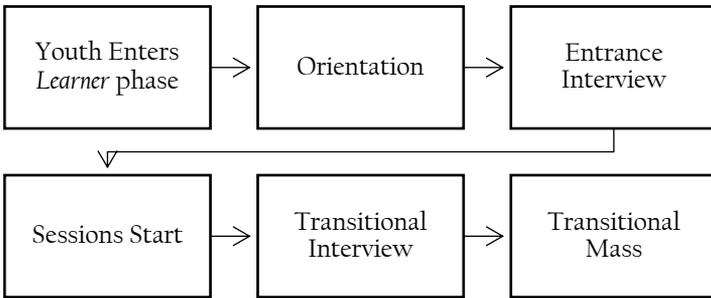

- Advocacy
- Catechesis
- Community Life
- Evangelization
- Justice and Service
- Leadership
- Pastoral Care
- Prayer and Worship
- Spiritual and Community Outreach Activities

In the *Disciple in Ministry* phase youth are now fully integrated and participating in the life of their parish community and their Catholic Faith. These young people are invited to plan activities for those in phase one and phase two as well as continue formation in their own faith.

The *Comprehensive Model of Youth Ministry* is unique in the sense that not only are young people learning about their Catholic faith, but they will simultaneously apply what they have learned in order to spread the Good News to evangelize.

Phase One: *Learner*

Timeline

Orientation

The purpose of the *Learner* phase orientation is to:

1. Explain the *Comprehensive Model of Youth Ministry*-the concept of this model may be new to parents and youth and they may be hesitant at first. A thorough explanation of what your particular model will look like and what the expectations will be should help everyone understand the benefits of this journey.
2. Meet parents and youth-this may be the first time most of the team is meeting youth and their families. Take this opportunity to start a relationship with these families and really get to know them.

Provided is a sample schedule of what an orientation might look like. Orientations may vary depending on the needs of your parish, size of those participating or any other tasks you are hoping to accomplish at this time.

The interview should be given by the Youth Leader(s) /Catechists of the *Learner* phase with the young person. Others that could also be included might be the Pastor, parents, or Parish Catechetical Leader.

This interview is **not a test**. It is to be nonjudgmental and confidential. It is to find out where the young person is, so you will know the best way to guide the youth in their journey of faith through the *Learner* phase.

Sample Questions

You may use these questions for your *Learner* Phase Entrance Interview and/or add your own to meet the needs of how you have designed this phase.

1. Why do you want to be a part of this journey of the *Comprehensive Model of Youth Ministry*?
2. What would you like to learn about your Catholic faith?
3. Do you feel ready to take responsibility for your own faith? Why or why not?
4. Are you ready to enter into the *Learner* phase on your own free will?
5. What is your relationship like with Jesus Christ?
6. How can we better support your family faith life?

Transitional Interview into *Disciple in Training*

The interview should be given by the leader(s) of the *Learner* phase with the young person. Others that could also be included might be Pastor, parents, or Parish Catechetical Leader.

This interview is **not a test**. It is to be nonjudgmental and confidential. It is to find out where the young person is in their faith journey so you and that young person can determine if they are ready to move to the *Disciple in Training* phase.

4. How can we continue to support your family faith life?
5. What makes you feel you are ready to move into the *Disciples in Training* phase?

At the end of the interview the young person and the interviewer will need to come to an honest consensus on whether or not the young person is prepared to move on to the next phase. If it is not agreed upon by both, then an action plan can be designed to help that young person move to the next phase. This plan may include suggestions such as having the young person participate in more Spiritual and Community Outreach Activities, have the young person make up any missed sessions, let the young person know the importance of attending Mass regularly, etc.

These action plans will vary youth to youth depending on where they are in their faith journey. When the needs of the plan have been met they may redo the interview process to see if they are ready to move to the next phase.

Moving Forward

Once the young person has completed the *Disciple in Ministry* phase it is important to celebrate the end of this step in their faith journey with Mass. At this time young people are moving into Young Adult Ministry. The parish/ministers should have a plan in place for them to continue formation, parish involvement and feel welcomed within the parish. If the young adult is leaving the parish develop, a way to keep in contact with them so when they return home they can experience a welcoming community.

Spiritual and Community Outreach Activities

As stated in the Archdiocese of Santa Fe Sacramental Polices for Confirmation, it is required for each young person to participate in Spiritual and Community Outreach Activities prior to receiving the Sacrament of Confirmation.

Within the *Comprehensive Model of Youth Ministry* young people will be encouraged to partake in these Spiritual and Community Outreach Activities throughout the three phases. By encouraging and inviting youth, parishes no longer need to have “mandatory service hours” this allows the leaders of the phases to focus on the reason for serving and why it is important for Catholics to serve. Each parish will decide on whether or not a young person has done a fulfilling amount of Spiritual and Community Outreach Activities. One way to determine this could be during the interview process.

Sample Interview Questions

1. In what ways have you participated in enough Spiritual and Community Outreach Activities?
2. How has participating in these Spiritual and Community Outreach Activities impacted your faith?
3. Will you continue to do Spiritual and Community Outreach Activities in the next phase? If so, why? If no, why not?

Each Spiritual and Community Outreach Activity should follow a process that will engage the young person. It is important to have an organized process so youth understand what it is they will be doing, why they are doing it and the importance of their faith in action. Here are some examples of steps you can take:

- Step 1: Prayer focused around the upcoming activity
- Step 2: Detailed explanation of activity
- Step 3: Serve in activity
- Step 4: Debriefing/Journal (see Sample Journal Questions)
- Step 5: Closing prayer focused around activity

Journal Reflection

One option for debriefing is to have youth write in a journal about their experience.

This journal is for their own reflection throughout this journey. It is not to be “graded” but can be checked for participation. It is encouraged to have a group discussion following their journal reflection.

Sample Journal Questions

1. Why did you choose this activity?
2. Where did you see Jesus through this activity?
3. How did you spiritually prepare to serve?
4. Would you do this again?
5. How did you feel during this activity?
6. What did you learn about yourself?
7. What would you do differently to make the next activity more successful?
